

The new AVIVA 40 single filter half mask is the next step forward in half mask technology from Scott Safety. Innovative design elements such as a hybrid reflex face seal, an easy-to-use leak check mechanism and goggle 'pinch' have been integrated into the AVIVA 40 half mask, with user comfort and protection in mind. AVIVA 40 is suitable for a variety of applications including paint spraying, chemicals and manufacturing, utilising the Pro2000 range of filters. Please see technical data for precise filter approvals.

PRODUCT HIGHLIGHTS

- Single filter half mask utilising the Pro2000 range of filters
- Reflex seal absorbs facial movements, maintaining protection
- Easy to use leak check mechanism
- Goggle pinch - designed for improved eye PPE integration
