# FEATURES & BENEFITS

# TECHNICAL SPECIFICATION

Product Code	3000AH
Flow Rate	130 - 160 l/m
Battery	
• Voltage	12 V
• Charging	Rapid
• Operation Time	8 hours+
Battery Charger	Microprocessor Controlled, Automated AC Mains, UK Plug
Weight	1.1 kg
Noise	> 44 decibels
Motor	Maintained Airflow w/ Variable Compensation
Filters	P3, A1 P3, ABEK1 P3
Standard	
• Respiratory	EN12941 TH3
• Helmet	EN397
• Visor	EN166 Optical Class 1 / Strength F
Storage Conditions	-10° to + 55°
Operating Conditions	0° to 60°
